

# KOREAN Recruit

Recruiting Korean Staff for Service Industry especially Airline, Hotel and Cruise lines

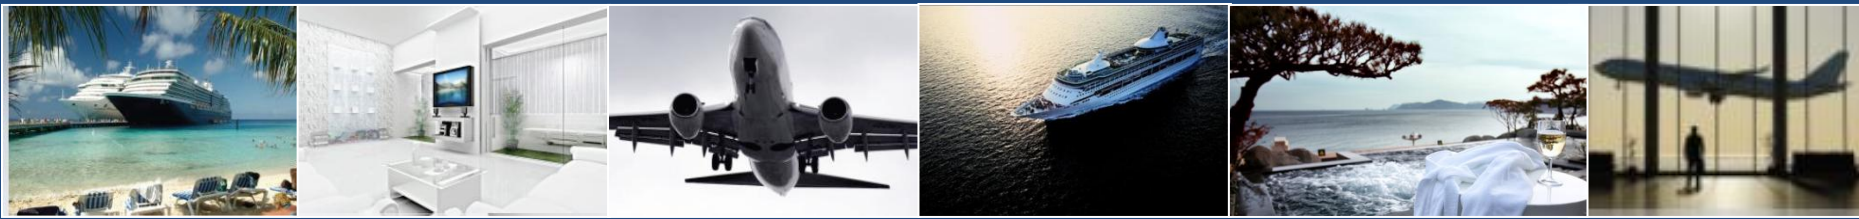

- Korean Recruit is a professional recruiting firm focused on managing human resources for the leading service company. In Korea, our core competency is bringing the best out of exceptional people whom we believe have great prospects to be great service provider.
- Globally, Koreans – as employees-are highly evaluated. Koreans are kind, sophisticated, intelligent, educated and professional. Korean employees will be great help to enhance the brand image of your company. Most of our candidates can speak Korean and English very well and some can speak Chinese, Japanese and other European languages as well.
- Korean Recruit also have an excellent track record in finding such people through a series of promotions and personality testing.
- We believe the human resources team of Korean Recruit is a perfect adjunct for the recruitment needs of top company, such as yours, looking for high-quality international Staff.

## Korean Recruit Office

- Korean Recruit is located at the heart of Seoul Korea, called Gangnam.
- Korean Recruit is focused on recruiting Korean in domestic and dispatch to overseas companies. We are searching employers directly from Korea office. Korea office is managing quality control of candidates as well as taking care of employers directly. This way, we have more efficient and trustful relationship with both employers and candidates
- After dispatching candidates to employers, CEO of Korean Recruit is visiting each companies to check if candidates are well settled down in new environment and check if employer has any consideration with newly recruited staff. Korean Recruit will do act as an intermediary
- If our business is getting bigger in areas, we may set-up correspondent office in each region in the future

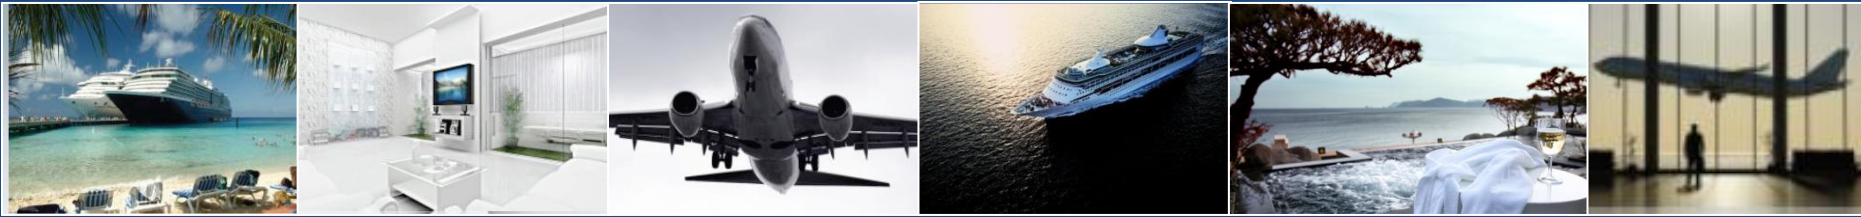

## Korean Recruit Supplies Best Quality Korean Staff

- Korean Recruit is the First and only Korean agents for many reputable companies like ;
  - **STAR Cruises** hires 20 Koreans a year since Year 2008
  - **COSTA Crociere** hires about 20~40 Koreans a year since Year 2010
  - **PRINCESS Cruises** starts recruitment from Dec. 2012, plan to hire 20 Koreans per month
  - **The VENETIAN** hires about 20 Koreans a year since Year 2009
  - **DUBAI Airport** hired 60 Koreans in Y2011, the first batch arrived on March 2012
  - **Hyatt Hotel** situated in U.A.E. hires about 20~30 Koreans a year since Year 2009
- Testimonial from most clients regarding the quality of Korean Staff who hired through Korean Recruit is very satisfactory so they continue to hire Korean staff through Korean Recruit only. With the recommendation of current clients, we have more request on Korean staff supplying to new clients.
- When we start to supply Korean Staff to you, we are for sure to supply the best quality of Staff only. We guarantee that you will be very happy with KOREAN STAFF!
